Reporting Timeli... Tracking Log...

Barbara and Doug-

Please find attached the revised spreadsheet outlining the "adjusted" target dates for the K6 short term report. Once our progress is established on the Complete Draft, the remaining dates for the Final Report will be laid out.

Also attached is the updated milestone tracking log for the K6 long term study, which includes your feedback.

Please review and let me know if you have any further comments or questions.

Also, if you do get this ok, please let me know. I will follow up by phone if I do not hear from you by later today.

Thanks so much,
Jacki
